he Beth Casavant Athletic Scholarship Fund 2014/2015

The Beth Casavant Athletic Scholarship Fund was established in March 2012 by friends of Beth Casavant as a memorial to her work with youth in Franklin County. Beth loved to ski, golf, boat, play hockey, and – most importantly—loved her family and friends with a passion. She was a strong advocate for children in sports—having helped raise money for ski equipment for kids and coaching in the St. Albans Young Blades hockey program. She was a founding member of one of the first women's recreational hockey programs in St. Albans.

In Beth's name, we are establishing the Beth Casavant Athletic Scholarship Fund to provide hockey equipment for children in Franklin County who cannot afford the essential protective equipment necessary to help them be successful athletes. Beth wanted all kids to have a chance to play; we hope to help her legacy live on by removing this financial barrier to playing this sport that she loved so much.

The Beth Casavant Athletic Scholarship fund will be presented each year to 10 Franklin County youths. This scholarship is open to any youth from Mite (6) to Midget (18) hockey level that may be in need of equipment. If you are 4-6 in the Young Blade program they offer a separate program please contact SASA.

The fund will award $1500.00 in the first grant year. The recipient will receive a certificate that details their required needs which can be brought to Kevin Smiths Sports Connection to redeem. Please note that the funds are only to be used for the hockey equipment specified and there will be no credit or money given for unused funds. You will be responsible for any amount that is not covered by the certificate.

The Beth Casavant Athletic Scholarship Fund Application
